

# SR-CoQ<sub>10</sub> with PQQ

24-hour sustained-release MicroActive<sup>®</sup> CoQ<sub>10</sub> with BioPQQ<sup>®</sup>; support for mitochondrial, cognitive and cardiovascular health<sup>†</sup>

## INDICATIONS

- Ages 18 and up
- Mitochondrial function support<sup>†</sup>
- Cardiovascular and cognitive health support<sup>†</sup>

## BENEFITS

- Supports mitochondrial, cognitive and cardiovascular health<sup>†</sup>
- Promotes neuroprotection<sup>†</sup>
- Provides antioxidant support<sup>†</sup>

## FEATURES

- Offers clinically researched BioPQQ<sup>®</sup> and sustained release MicroActive<sup>®</sup> CoQ<sub>10</sub>
- Made with high-quality vegetarian ingredients backed by verifiable science

## VERIFIABLE SCIENCE

SR-CoQ<sub>10</sub> with PQQ (pyrroloquinoline quinone) supports mitochondrial function, which plays an important role in cardiovascular, neuronal and cognitive health.<sup>1</sup> PQQ is an antioxidant that promotes the formation of mitochondria and has shown neuroprotectant and cardioprotectant properties in preclinical studies. PQQ is naturally present in a variety of vegetables, as well as in the human body, including breast milk.<sup>2</sup> In a double-blind, placebo-controlled clinical trial conducted in 41 middle-aged individuals, BioPQQ<sup>®</sup> supplementation over a 12-week period supported healthy cognitive performance, specifically high-end mental processing.<sup>3</sup> MicroActive<sup>®</sup> CoQ<sub>10</sub> complements PQQ with cardiovascular, cognitive and antioxidant benefits, with a 24-hour sustained-release profile.<sup>4,5†</sup>

## SUGGESTED USE

As a dietary supplement, take 2 capsules daily, in the morning, with a meal.

## STORAGE

Store in a cool, dry place.

## WARNING

If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

## SOURCE

- BioPQQ<sup>®</sup> pyrroloquinoline quinone disodium salt is manufactured in Japan using a patented natural fermentation process. It contains 2.7 mg sodium per capsule. MicroActive<sup>®</sup> CoQ<sub>10</sub>-cyclodextrin complex (SR-CoQ<sub>10</sub>) contains coenzyme Q<sub>10</sub> obtained naturally from fermentation and potato starch
- Hypo-allergenic plant fiber is derived from pine cellulose

## NOTES

Size 0 caps

Bottle count 60

Order code CQP6

Bottle size 120 cc
